UPDATE:
Extended VST EVR
Balance Nozzle Warranty

04.22.13

EFFECTIVE IMMEDIATELY

VST is convinced that it offers the most robust EVR Phase II Balance Nozzle in today's market and is so confident in the quality of the product that VST will now offer an additional SIX (6) MONTHS of warranty coverage beyond the minimum ARB required TWELVE (12) MONTHS. This EXTENDED Warranty is for new or factory rebuilt nozzles installed as of today's Bulletin date, as explained below.

Every VST EVR Phase II Balance Nozzle, new or factory rebuilt, includes a Product Warranty Registration Card and a VST Warranty Statement with the date of manufacture.

In order to earn this EXTENDED Warranty, VST must receive a complete and properly filled out Product Warranty Registration Card *at the time of installation and within the first twelve months from the date of manufacture.*
