

## **Modification Highlights for Executive Orders VR-203-W and VR-204-W**

NOTE: Global change for Executive Orders and Installation, Operation, and Maintenance Manuals; changed revision letter from V to W.

### **Part I: Executive Order**

#### **Legal Language**

- Added “WHEREAS” paragraph describing the nature of the amendment request from ContiTech to include part numbers for the Maxxim Premier Plus curb and whip hoses, which were inadvertently omitted in the previous Executive Order
- Added “WHEREAS” paragraph describing the nature of the amendment request from ContiTech to add the Maxxim Premier Ultra curb and whip hoses to the list of certified hoses for the balance system as an alternate component
- Added “WHEREAS” paragraph describing a request from ContiTech to change the name on the whip and curb hose logos from Veyance Technology to Continental ContiTech
- Added language to extend the certification for one year in order to provide time to gather and evaluate new information

#### **Exhibit I**

- Added new ContiTech Maxxim Premier Ultra curb and whip hoses to Equipment List.
- Added part numbers to both Plus and Ultra curb and whip hoses to Equipment List.
- Added a footnote for name change of Veyance to ContiTech.
- Updated Figure 1A-2 to add ContiTech Maxxim Premier Ultra along with the location and language on the logo.
- Updated Figure 1A-2 to reflect changing the name on the logo from Veyance Technologies to Continental ContiTech for the Maxxim Premier Plus curb and whip hoses.

#### **Exhibit III**

- Updated warranty on page 11 to reference name change from Veyance to ContiTech.
- Added reference to new Ultra hose.

### **Part II: IOM**

- IOM 1 VR-204, page 1-4, replaced Veyance name with ContiTech and added Ultra hose.
- IOM 5, page 5-2, replaced Veyance name with ContiTech.
- IOM 8, replaced installation instructions for ContiTech.
